

**NOTICE OF PUBLIC HEARING  
COMPREHENSIVE DEVELOPMENT PLAN FOR TREMPEALEAU COUNTY**

Notice is hereby given that a Public Hearing will be conducted by the Trempealeau County Environmental and Land Use Committee on November 4, 2009 beginning at 9:00 a.m. at the Trempealeau County Courthouse in Whitehall, Wisconsin in the County Board Room in the basement of that building, to consider adoption of a Comprehensive Development Plan for Trempealeau County. This plan is being prepared for adoption by the County Board of Supervisors as required by Section 66.1001 adopted by the Wisconsin State Legislature in 1999.

By law the plan is to serve as a guide for future regulations adopted by the County in regard to such issues as zoning, subdivision regulation, and shore land and wetland regulation. The plan applies to the unincorporated areas (the Towns) of the County.

As required by the Statute, the plan has been developed after efforts to obtain public input throughout the County. This public hearing will further allow for input from the public and discussion of the plan and the ordinance which will adopt the plan for the County.

A copy of the plan is on file with the offices of the County Clerk and Department of Land Management for Trempealeau County. The plan incorporates a detailed consideration of nine elements required by the statutes which are set out at subsection 2 of Section 66.1001. These elements are listed as: 1) Issues and Opportunities for the County, 2) Housing, 3) Transportation, 4) Utilities and Community Facilities, 5) Agriculture, Natural and Cultural Resources, 6) Economic Development, 7) Intergovernmental Cooperation, 8) Land Use and 9) Plan Implementation. The plan includes goals and objectives for each of the elements and identifies issues facing the County.
