

## **Notice of Public Informational Meeting**

The Wisconsin Department of Transportation (WisDOT) is conducting a public involvement meeting to discuss proposed improvements to US 53 from Galesville to Whitehall in Trempealeau County.

The meeting is scheduled for Thursday, November 16, 2017 from 4:30 to 6:30 p.m. at the municipal building for the Town of Ettrick, 22734 West Avenue; Ettrick. The objective of this meeting is to familiarize the public with the purpose and need for the project and to obtain input on the proposed improvements.

The existing three span bridge over the Branch of the North Fork Beaver Creek was built in 1936 and received a new deck in 1981. The deck has significant deterioration and temporary railing was installed in 1989.

WisDOT representatives will present information regarding the identified needs for this bridge on US 53 and discuss proposed improvements that will address the purpose and need for the project.

Construction is currently scheduled for 2019.

Adjacent property owners are encouraged to attend the meeting. Citizens who are hearing-impaired and require an interpreter may request one by contacting Diana Maas at least three working days prior to the meeting via the Wisconsin Telecommunications Relay system (dialing 711).
